FINANCIAL POLICY

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our **Financial Policy** which we require that you read and sign prior to any treatment.

FULL PAYMENT IS DUE AT TIME OF SERVICE. WE ACCEPT CASH, CHECKS AND VISA/MASTERCARD. WE OFFER AN EXTENDED PAYMENT PLAN WITH PRIOR CREDIT APPROVAL.

INSURANCE for patients who have insurance we will, at no additional charge, file their claims for payment. If your coverage cannot be verified, services rendered on your initial visit must be paid in full. Partial payment (50%) of the initial visit is allowed if your insurance can be verified but satisfaction of your annual deductible cannot be verified. If we can verify satisfaction of your annual deductible, either from your insurance company or from your **Explanation of Benefits** provided by you, we will collect only your co-payment. Payment of the co-payment may be made either at the time of service, or on a weekly basis, depending on your treatment schedule.

Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. If your insurance company has not paid your account in full within 60 days, the balance of your account will be automatically transferred to your credit card or you must be approved on our **Extended Payment Plan.**

Our practice is committed to providing the best treatment possible for our patients and we charge what is usual and customary for our area. You are responsible for payment in full regardless of any insurance company's arbitrary determination of usual and customary rates. Please be aware some services provided may be "non-covered" services and not considered reasonable and necessary under the **Medicare Program** and/or other medical insurance.

On all **DELINQUENT ACCOUNTS** over **30 days old,** there will be a finance charge of **1-1/2% per month** computed and added to the unpaid balance. All unpaid and unresolved balances for which no payments have been received for **60 days** will be automatically turned over for collection. All collection fees will be added to your account and will be your responsibility, should such action prove unavoidable. **DELINQUENT ACCOUNTS** over **60 days** will be charged a **35% fee** and accounts over **90 days** will be charge a **50% fee.**

ALL RETURNED CHECKS WILL BE CHARGED A $15.00 SERVICE CHARGE.

Thank you for understanding our **Financial Policy.** Please let us know if you have any questions or concerns.

I have read this Financial Policy (above). I understand and agree to this Financial Policy:
